Projects

ECOSetu — Link | github | ApiDocs — Jan 2026 — NextJs, Postgresql, JWT, NodeMailer

ECOSetu is a next-generation Product Lifecycle Management (PLM) and Enterprise Resource Planning (ERP) system. Developed by team CodingKarma for the Odoo x Adani University Hackathon, ECOSetu streamlines manufacturing operations, product versioning, and engineering change management with a focus on speed, security, and global accessibility.

Outfits Of Joy — Link | github | ApiDocs — Jan - Feb 2025 — Node.js, Express, MongoDB, React, Razorpay

Cloth renting website for functions and parties with features like admin dashboard, user login, add to cart, orders, favorites, and profile editing. Backend with Node.js, Express, MongoDB, Cloudinary; frontend with React (Vite). Implemented Autho, JWT authentication, and Razorpay payment gateway.

FarmTrust — Link | github | ApiDocs — March 2025 — Node.js, MongoDB, Express, React, I18next

E-commerce website for organic certified and verified farmers to sell farm products. Integrated certification marks and verified mark for trust. Managed backend with Node.js, MongoDB, Express. Implemented multilingual mode using I18next React library. Developed For Odoo X Gujarat Vidyapith Hackathon

GraspCheck — github — June 2025 — Browser Extension, Gemini API

Browser extension to check comprehension after reading articles on w3schools, GeeksforGeeks, and GitHub markdown . Generates 10 MCQs based on article and provides scores. Based on Gemini API.

LeetCode-Smart-Analysis — github — Jan 2026 — React, Browser Extension, OpenRouter API

A Chrome extension that enhances your LeetCode experience by providing AI-Powered approach suggestions and complexity analysis directly within the LeetCode interface.

Other Projects — Link — Sept 2024 - Apr 2026

Developed multiple React, React Native, and Next.js projects, including a SIP analyzer, real-time multiplayer game, YouTube clone, and Setulink (a custom npm CLI tool for exposing localhost to the cloud), along with applications built using Spring Boot.
